Product Discontinuance Notice

Dear valued partners,

Thank you for your trust and support for SOSEN.

In order to adapt to the development of the market, as well as the update of global regulations and new energy standards, SOSEN provides global customers with efficient, stable and reliable, the most cost-effective LED driver, and constantly innovation.

When some products enter the end of the product life cycle, it also represents a significant decline in product market demand and will be replaced by a new generation of better products. We hope to gradually phase out the following models in a gradual manner, so that more cost-effective products can be successfully introduced to customers. The following is the list of models that will enter the discontinued. If there is still demand for discontinued models, please stock up before the last order date, and prepare the upgrading and selecting alternative products.

The discontinued period is 12 months, and the last order date and shipment date are listed in the "SOSEN Product Discontinued Model List". No orders will be accepted after the last order date.

For questions or concerns regarding this notification, please contact your SOSEN sales office or customer service representative.

Sincerely,

Shenzhen SOSEN Electronics Co.,Ltd
